

Girl Scout Engineering Saturday

Hosted by Women in Engineering (WIE)

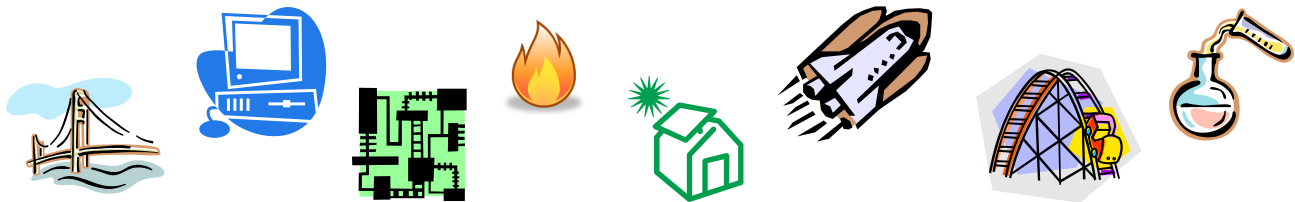

Saturday, October 8, 2016
10:00 AM—2:30 PM
University of Maryland, College Park

Girl Scout Engineering Saturday (GSES) is a program for local Girl Scout troops in Maryland and the surrounding area. In this program, Cadettes and Seniors (grades 6-9) engage in fun hands-on activities and work towards earning a special WIE patch while learning more about engineering and science.

To earn the patch, scouts will complete three different activities working with other local scouts and current UMD engineering students!

Register online at <http://wie.umd.edu/k12/gses>

Registration & Cost

The online registration form is available on our website. Participants will be accepted on a first come, first served basis. There is a \$20 fee to cover the cost of lunch, patches, and activity supplies for each participant.

For more information, please visit: <http://wie.umd.edu/k12/gses>
